

# 1901 PROJECT in BRECON

---

## Become an expert

Choose any topic and learn what was going on in that family, place, building, in 1901— just that year.

Choose even a small piece of a project and make it your own; research that. For example:

We should include all the churches in Brecon, all the shops, all the buildings. But no one person will do them all! Just pick one and learn what was happening in that church in 1901.

We already have all the people because they were all listed in the Census that year. Now we'll tell their story.

## Will you help?

Was there a county fair in Brecon in 1901; who won the prizes? What was in the newspaper?

What regiment was here in the barracks? Who were the police? Was there music in the town?

Were there any photos?

And here are some other possibilities:

Education

Health

Transport

Poverty

Wealthy

Religion

Sports

Family History

House History
